In the event of an unfortunate serious injury necessitating several weeks medical recovery (such as a fracture), a medical certificate must be provided to the SXL office and credits for missed classes will be provided for the next term.

### 2. Term Fees

- **Current students** – SXL offers priority enrolment to our existing students. Invoices for re-enrolling in the following term are emailed during the last weeks of the current term. If you do not receive your invoice by the last day of term you should contact us as a matter of priority. **If your invoice is not paid by the due date, it will be assumed your place is not required and the place will be offered to the next person on our waiting list.** Class enrolment is only secured following full payment of your term fees. N.B. Reminder invoices will not be issued.
- **New students** – When a place becomes available in a class, it is offered to the next person on the waiting list. If you accept a place, SXL will prepare and email you an invoice. Payment is required within 7 days of the invoice date.  
**Full payment of term fees is required by the time your child attends their second class.** If you have not arranged payment prior to your child's second class, please understand that your child will not be permitted to participate in the class and their place will be offered to the next person on the waiting list.
